

Facilitated workshops to promote global collaboration for improved exposure and health impact assessment of bioaerosols

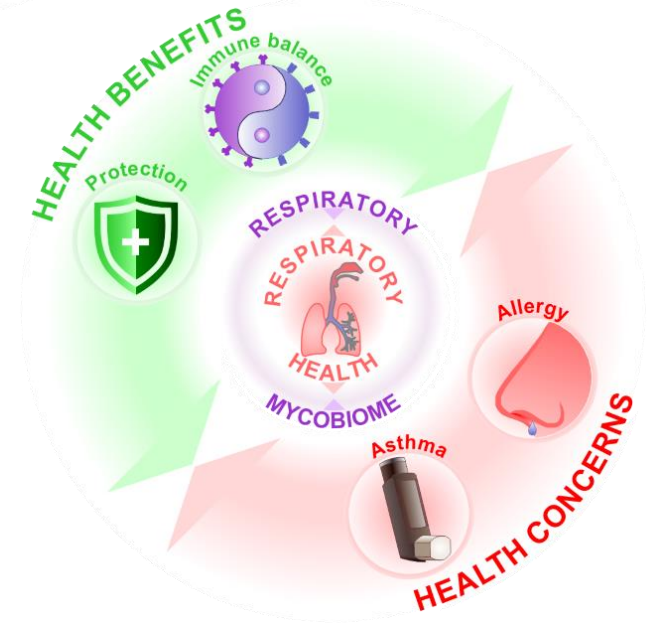

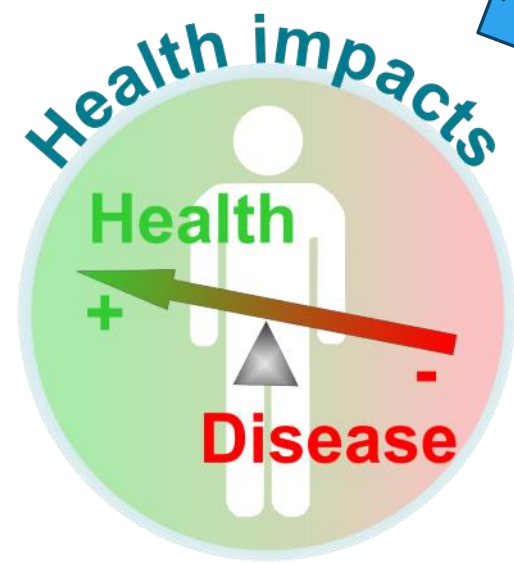

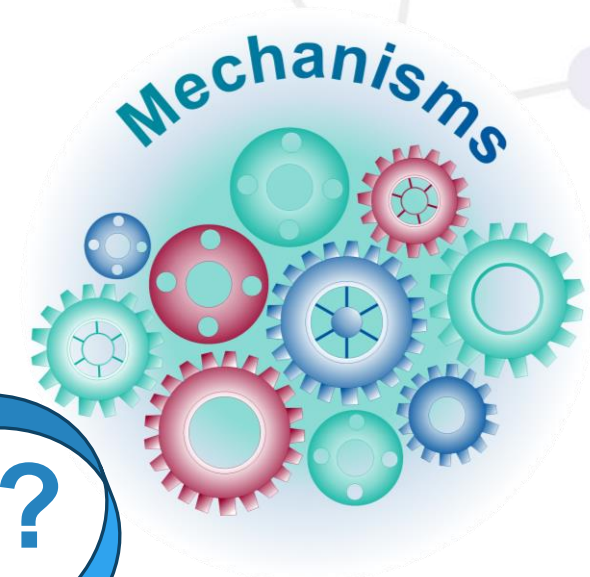

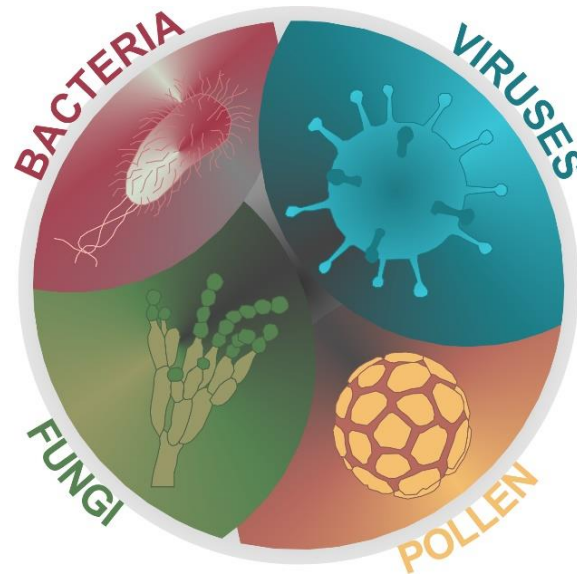

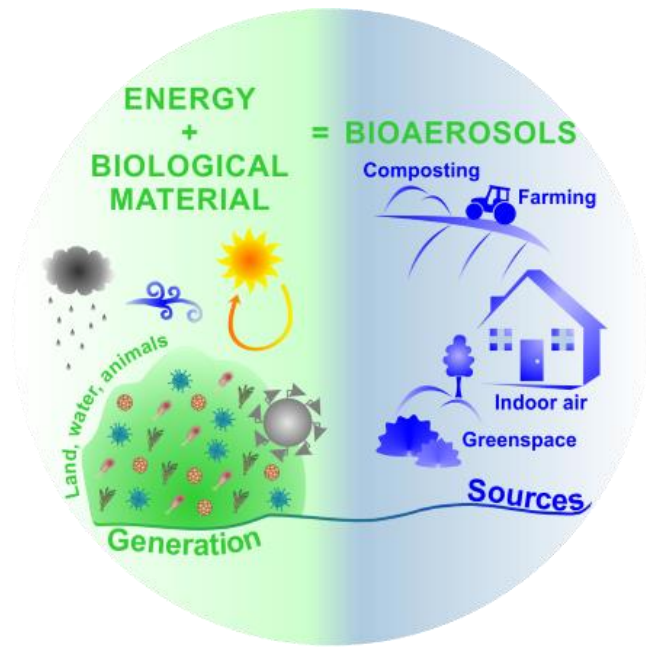

Emma Marczylo

Simon Jackson, Christine Bell, Dan Andrews, Rob Kinnersley, Fred Coulon, Zaheer Nasir and **Pippa Douglas**
On behalf of the BioAirNet Consortium

Background

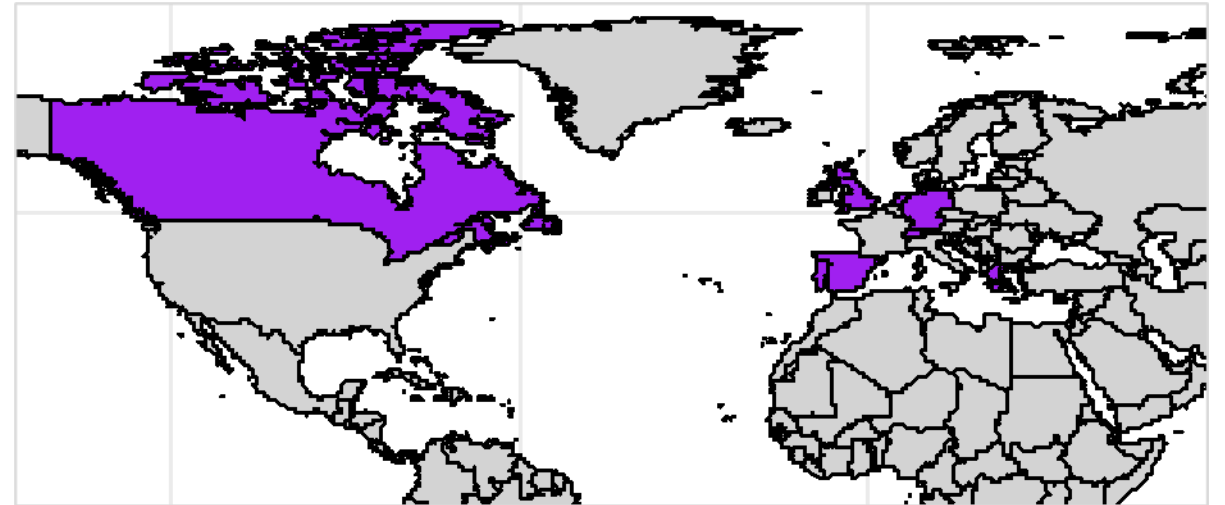

Bioaerosols

Background

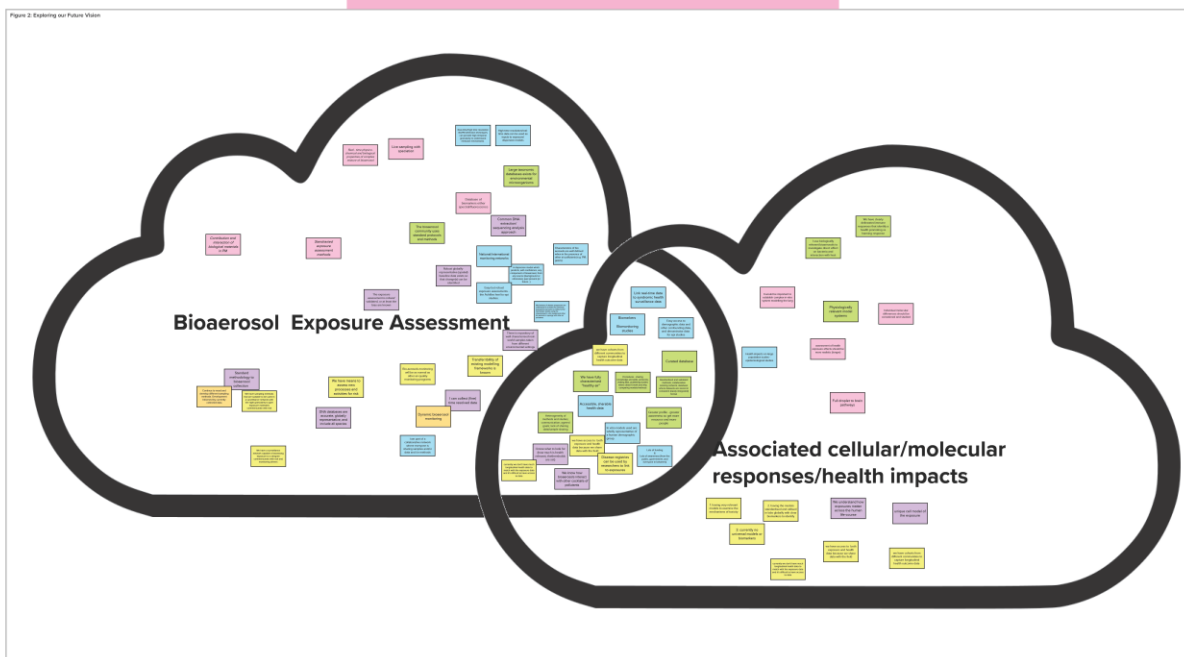

Facilitated workshops

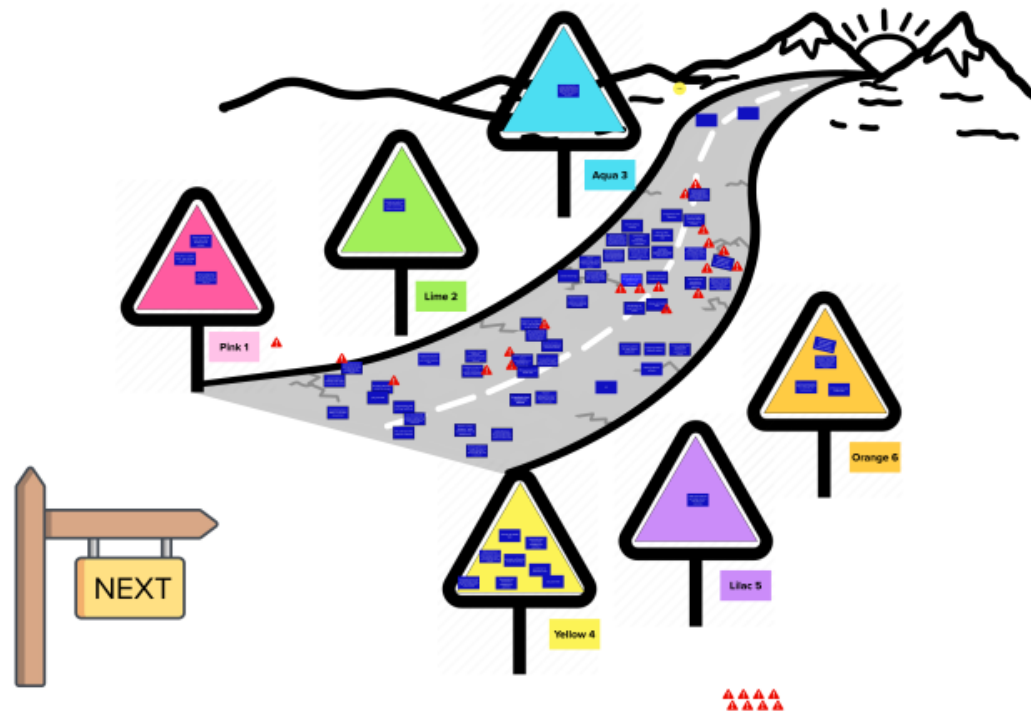

Workshop1

Exploring & conceptualising

Exploration of the Future Vision

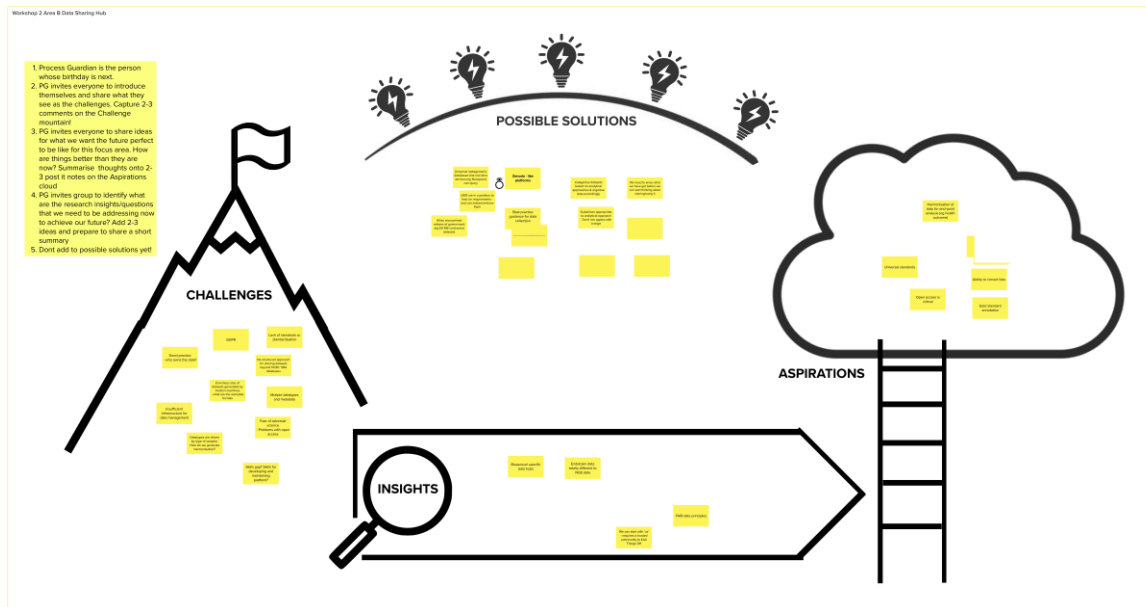

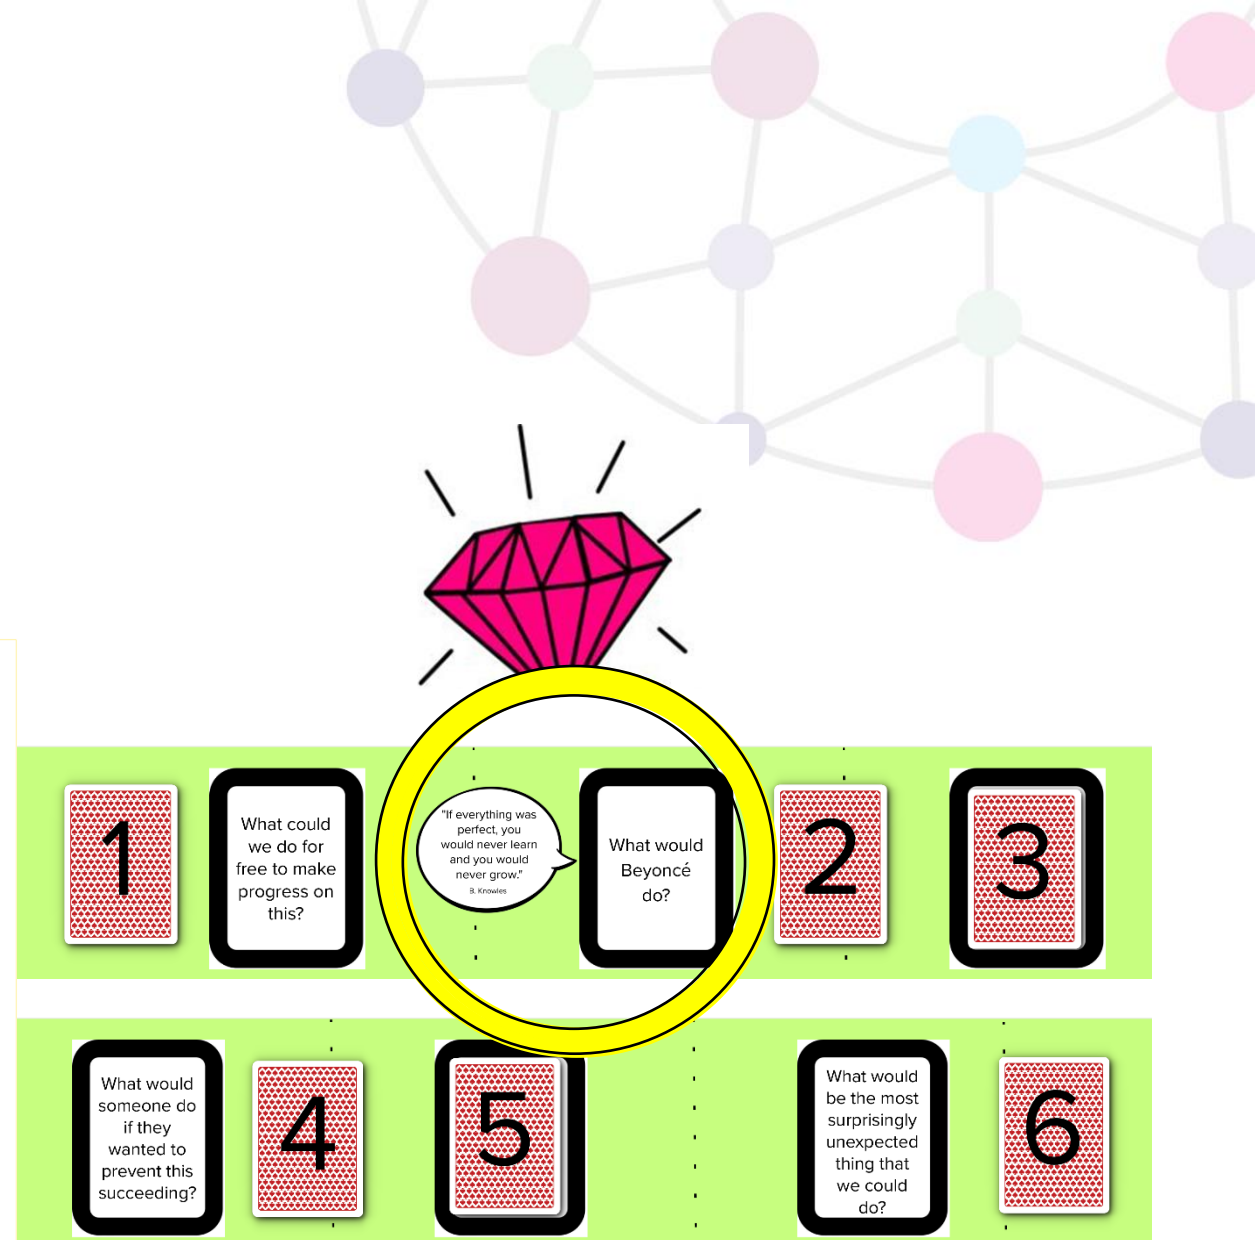

What are the main changes/gaps we must address in our current practice to move towards our Future Perfect?

Workshop 2

Prioritising the main challenges

"If everything was perfect, you would never learn and you would never grow."
 S. Knowles

1 What could we do for free to make progress on this?

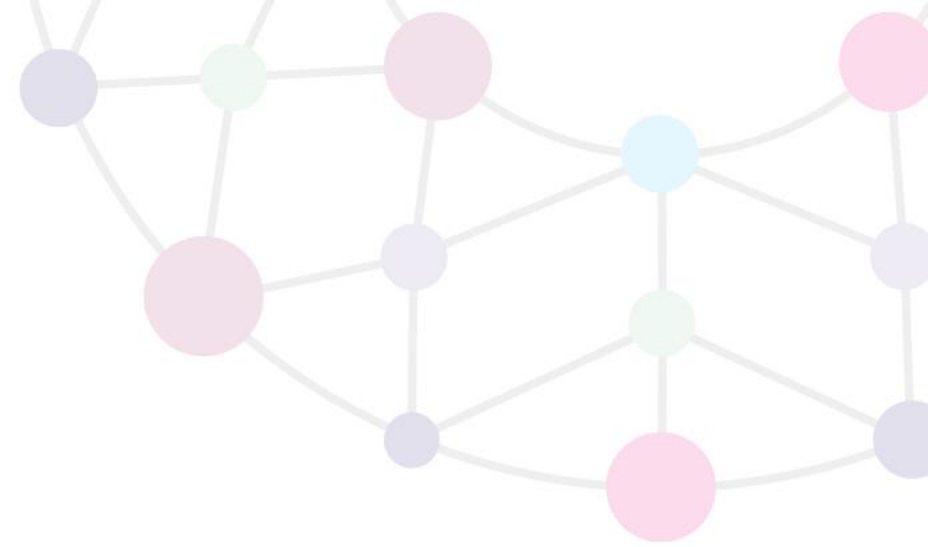

2 What would Beyoncé do?

3

4 What would someone do if they wanted to prevent this succeeding?

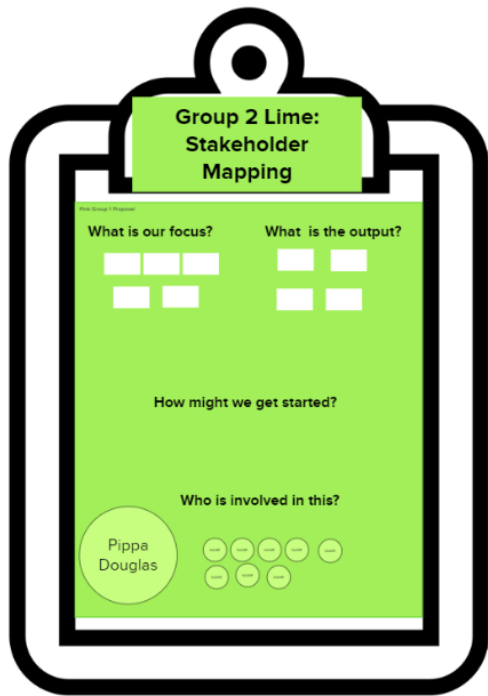

5

6 What would be the most surprisingly unexpected thing that we could do?

Workshop3

Generating outputs and plans for the future

Conceptual Model

Stakeholder Mapping

Knowledge Transfer Project

Writing Project

Bioaerosol-specific Conference-style Event

Follow up in-person workshop

Updates on the action plan and their potential impacts

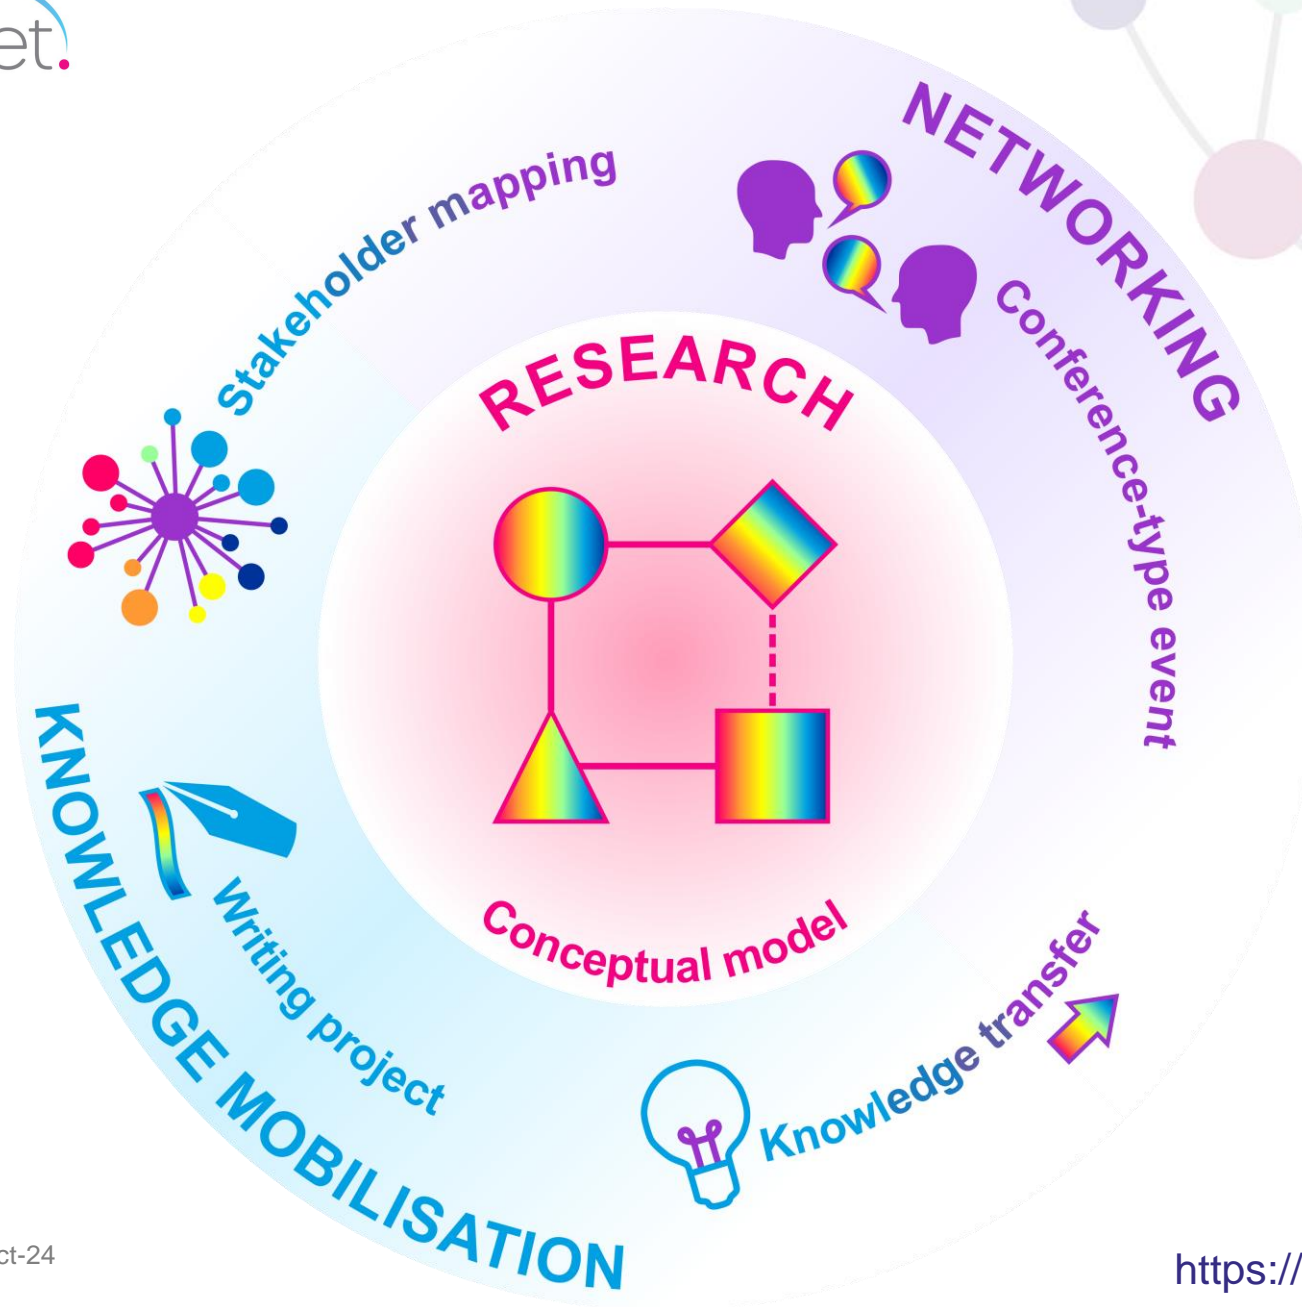

Bioaerosol-
specific
Conference-style
Event

Outcomes

What did we achieve?

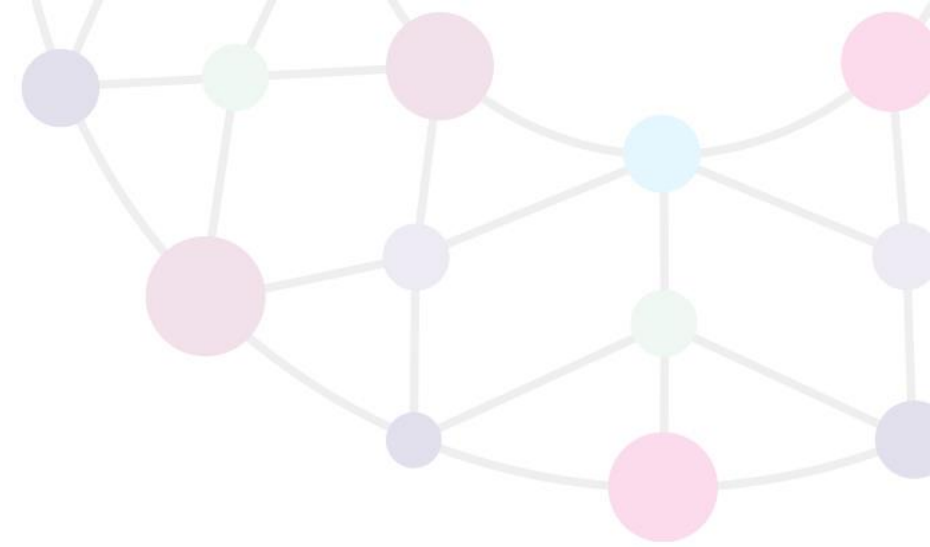

Final thoughts

Legacy

- Growing scientific community
- Greater understanding of wider stakeholders and their needs
- Improved awareness
- Value of funded networks

Acknowledgements

Thanks to:

- BioAirNet
- Participants
- Facilitators
- You for listening
